

Pupil Premium

The Pupil Premium is additional funding given to publicly funded schools in England to raise the attainment of disadvantaged pupils and close the gap between them and their peers.

For the period 1st April 2015 – 31st March 2016 we have received £261,224 to improve the attainment of these pupils.

What the Department for Education says: “Accountability

We hold head teachers and school governing bodies accountable for the impact of pupil premium funding in the following ways:

performance tables, which show the performance of disadvantaged pupils compared with their peers

requiring schools to publish details online each year of how they are using the pupil premium funding and the impact it is having on pupil achievement

the Ofsted inspection framework, where inspectors focus on the attainment of pupil groups, and in particular those who attract the pupil premium”

Main barriers:

1. Learning behaviours
2. Gaps in basic skills and age related knowledge
3. Poor language skills
4. Attendance/lateness
5. Wellbeing needs
