

COVID Home Learning Expectations Parents' Guide

At SHP we are doing everything possible to keep children, families and our staff safe in these difficult times, but it is also vitally important that our children keep learning and continue to thrive.

Children who are **not ill, but are isolating at home** due to COVID-19 safety measures are expected to access learning resources (online or offline) for 3-4 hours per day as per the tables below. There are two different categories of COVID absence home learning:

1. **If your child's whole class / bubble is closed**
2. **If your child is isolating due a household member having symptoms, or following contact with a confirmed positive case of COVID**

Families should use the links from this document or the main SHP website to access personal learning set for children by teachers in school as well as free national resources. If work cannot be completed online for any reason, please let school know as soon as possible.

1. If your child's class / bubble is closed

| | EYFS & KS1 | KS2 |
|---|---|--|
| Online <i>Password reminders will be sent home with children if a bubble closes</i> | EYFS and Year 1 - Access SHP's EYFS Home Learning Site for teaching videos and activities to complete from across the curriculum Google Classroom <ul style="list-style-type: none"> ● at least one piece of work to be completed from Google Classroom every school day ● Work will be posted daily by teachers ● Linked to current learning focus in school Numbots <ul style="list-style-type: none"> ● Games to improve the recall of addition and subtraction maths facts Bug club <ul style="list-style-type: none"> ● Online reading, books set to match the child's ability Spelling Shed <ul style="list-style-type: none"> ● Online phonics and spelling games, set to match the child's ability | Google Classroom <ul style="list-style-type: none"> ● at least one piece of work to be completed from Google Classroom every school day ● Work will be posted daily by teachers ● Linked to current learning focus in school Times Tables Rock Stars (TTRS) <ul style="list-style-type: none"> ● Games to improve the recall of multiplication and division facts Reading plus (Y4/5/6) <ul style="list-style-type: none"> ● Online reading and comprehension activities to match the child's ability Spelling Shed <ul style="list-style-type: none"> ● Online spelling games, set to match the child's ability |

COVID Home Learning Expectations Parents' Guide

Home Learning Support for children with EHCPs

If your child is in **Sun, Moon or Star class**, use the links below for suggestions of how to support your child's learning at home:

[Moon Home Learning](#)

[Sun and Star Home Learning](#)

Ability-appropriate work packs will be provided based on assessment data for all other children with EHCP's if their class bubble bursts

Online Safety

Your child's safety is of paramount importance to us whether in school or accessing learning online at home.

We strongly recommend that you use the following resources, activities, games and articles from '[Be Internet Legends](#)' to improve your own and your child's awareness of online safety. Make sure that you and your children understand the [Internet Legends Code](#):

- ★ Be Internet Sharp - think before you share
- ★ Be Internet Alert - check its for real
- ★ Be Internet Secure - protect your stuff
- ★ Be Internet Kind - respect each other
- ★ Be Internet Brave - when in doubt, discuss

Play [Interland](#) - Children (and parents!) can become Internet Legends with Interland, an online adventure that teaches the key lessons of internet safety through four fun, challenging games.

Safeguarding and Wellbeing

- DFE and school expectations are that daily contact is made with children absent due to COVID isolating. In most cases this will be through the use of Google Classroom. Any pupils not accessing online learning will receive a wellbeing call from school
- Meals will be available for collection for all children entitled to FSM. If you are unable to collect due to COPVID safety measures (e.g. isolating) then food parcel support from the local council can be arranged. *Please contact the Wellbeing Team for this, or any other kind of support you may need.*
